Dear Steve Sooter, Tim Sooter and Aaron Sooter,

The FamilySoft/Support Calc 2026 Guideline Calculator software certification has been renewed pursuant to California Rules of Court, rule 5.275 under procedures approved by the Family and Juvenile Law Advisory Committee. That committee has been delegated the certification authority by the Judicial Council of California. The certification is effective from April 1, 2026 through March 31, 2027.

The certification issued by the Judicial Council imposes a duty upon the person applying for the certification to promptly notify the Judicial Council of all changes made to the software during the period of certification. (Cal. Rules of Court, rule 5.275(f).) Please be advised that the Judicial Council may, after receipt of information concerning changes, require that the software be recertified.

If you have any questions, please contact me at 916-643-6969.

Very truly yours,

*Lollie Roberts*
